New Committee

Awards 2020/21

June 2021

Hi everyone. This newsletter is an advisory notification to let you all know the outcome of the Awards which were presented at the Awards night held in June and the incoming office bearers and committee members elected at the AGM.

CONGRATULATIONS to all the winners

The Club Captaincy is still to be determined, however, I am sure we will all be looking forward to reading future editions from whomever fills the position.

Cheers

Trace
